DAINTY'S OCEAN HANDICAP.

BEATS ALAN-A-DALE, THE FA-VORITE, BY A HEAD.

Woodsaw Badly Beaten in the Sapphire Stakes-Africander a Disappointment -Agile and Auditor Win for Brown Good and Plenty's Steeplechase.

More than 40,000 people attended the races at Sheepshead Bay yesterday afternoon, where four favorites were beaten, although every winner produced lines behind the cashiers. The Ocean Handicap, for threeyear-olds and upward, at a mile, was a smashing good race, in spite of the fact that Alan-a-Dale, the favorite, was beaten a neck by Dainty, second choice, because of a stupid ride on the part of Lucien Lyne. Seven of the original entries were scratched, leaving nine to go. Alan-a-Dale, with 120 pounds, was backed down to 2 to 1, with Dainty, Hide-brand up, and Dolly Spanker closing on equal terms at 4 to 1. Colonial Giri, who defeated Hermis in the World's Fair Handicap, had Burns in the saddle, and received enough support to drop in price a point to sevens. McChesney, the top weight, in spite of a good warm up, went back to 15 to 1, and ran ac-cordingly, Fuller bringing up the rear with

The start was not particularly good, and soon after it occurred New York was pinched off, harrowly escaping a fall. Alan-a-Date soon went to the front and raced neck and neck with Collector Jessup, with Colonial Girl, Dolly Spanker and Dainty close behind ; them. Turning into the homestretch Alan-a-Dale looked all over a winner, but Lyne turned around to see what the others were them. Turning into the homestretch Alan-aDale looked all over a winner, but Lyne

Sir Ralph. 112 Courted Llon. put the Golden Garter mare under one of his characteristic drives and she got up to the favorite before Lyne was aware of the fact that he was in danger. Lyne went to the whip, too, but Dainty was game, and in a cracking drive got the verdict by a neck in Alan-a-Dale finished a length and a tenths on turfi in front of Dolly Spanker, who in turn Leader.

Lyne also rode a poor race on Sydney
Paget's Woodsaw, who picked up 128 pounds
in the Sapphire Stakes, for two-year-olds,
and gave weight to all but Siglight.

Octagon colt was a heavilat 6 to 5 Octagon colt was a heavily backed favorite at 6 to 5, but did not finish in the money. He was pocketed after the first furlong and Lyne never got him in a position where he had a chance to come through. S.S. Brown's Agile, backed down from 10 to 1 to sevens, was full of running, on the other hand, and won galloping by ten lengths in 1:06 1-5 from Handzarra, the Western filly, who was quoted a length. James R. Keene's Blucher, who was in receipt of twenty pounds from Woodsaw, was played down to sevens, but stopped to nothing when the crucial moment arrived. Both Blucher and Handzarra were added

the choice at 5 to 2 in the handicap at a mile and a half, but after showing something of his old dash for a mile chucked it up and came in next to last, badly beaten. Garnish. 20 to 1, took a big lead at the outset and held it for a mile and a quarter, where Outcome, 3 to 1, and Shorthose, 7 to 2, joined him. Lyne rode Outcome to perfection and got her home victorious by a length and a half in 2:35 1-5. Shorthose beating Garnish a length for the place. Keynote, who carried a lot of smart money at 18 to 5, was a length and a half away in spite of Hildebrand's efforts. Brigand, who was played for a good thing, was

The sport began with a steeplechase, which was easy for T. Hitchcock, Jr.'s, Good and Plenty, a 2 to 5 favorite, who won as he pleased by three lengths in 4:14. Mr. Cotton's Captivator, heavily supported for the place, was overhauled in the run home on the flat and was besten four lengths by Georgia Pine, third choice. East Kelston and Snuff both eli, but were remounted and finished.

In spite of the fact that there were seven-

teen starters in the second race, for two-year-olds at five and a half furlongs, Futurity course, there was a great plunge on Tramotor, who was hammered down from 5 to 2 to 8 to 5, favorite. He led around the bend in the track, where W. B. Leeds's Merry Lark, 7 to 2, second choice, caught him and won handily by a length and a half in 1:07 4-5. Crimmins drove the favorite to keep the place from Gilfin, 15 to 1, by a length.

Gilfin, 15 to 1, by a length.
S. S. Brown won another race with Auditor in the fifth event, at six and a half furlongs. The Esher colt was made the choice at 2 to 1. and standing a drive from W. First Race-Selling; one mile: There was phenomenal business in the betting ring all yesterday afternoon. small speculators were in their element, and there were so many of them that the big fellows did not indulge in their usual plunging tactics because of the difficulty experienced by their commissioners in getting the money down. The heaviest betting was done on the Ocean Handicap, and nearly all of the books won big coin on the result. Bob Lloyd, however, was hard hit. He had a stand close to the entrance to the ring nearest the lawn, and he handled so much money that his sheet was wholly covered when the race started. In order to get all the bets offered Lloyd had a man stand be-hind him to call off the bets in rattling style to the sheetwriter, who did not have a chance to change pencils. The cashier soon had his box stuffed with bills and was com-pelled to use his pockets. Lloyd laid against Alan-a-Dale, straight and place, and als boosted the odds against Dainty. When th red board was hoisted he had a line behin his book that extended out into the laws Fourth Race—Handicap; one mile and a quarter Major Daingerfield 114 Cloverland 106 Engenia Burch 112 Pulsus 97 Dekaber 165 Marinee 95 and his cashier was still paying off on Daint and Alan-a-Dale when the next race habeen run. This was simply an illustration of some of the operations of the layers wh have been hankering for what is known a

"uneducated money" ever since Futurity day
But racegoers are pretty well posted jus now, judging from the way all six winner were played yesterday. The layers took i thousands on Woodsaw in the Sapphire Stakes but they were pretty severely hit when Agil came home on the bit. Bob Tucker, whe trains for S. S. Brown, cleaned up \$15,000 or Agile's success. The last time the colt ra he was messed about and had no chance Bullman told Brown that Agile had bee caught in the barrier, although persons a the post said this was not true. At any rate Tucker believed that Woodsaw could no give Agile ten pounds and bet \$2,000 on him the odds dropping from 10 to 1 to sevens Other smart players took Tucker's tip and

cashed good wagers.

Drake, Gates & Co. began with a stiff wage Chicago. Sept. 5.—J. W. Fuller's speedy filly Tokalon won the Twentieth Century Handleap at Hariem to-day in a gallon, beating Huzzai by six lengths. Miss Crawford was third. The time of 1:55-2-5 for the mile and three-slateenths is within a second of the world's record. Tokalon took command at the first quarter, and at six furlongs, covered in 1:12-5, the filly had a lead of six lengths. As she swung into the stretch, from where the field had started, she led by four lengths, having run the mile in 1:82-5. Huzzah closed with a marvellous burst of speed and got up in the final stride in time to get the place by a nose from the tired Miss Crawford. Tokalon was always the favorite and was backed from 7 to 2 to 5 to 2 at post time.

First Race—Six furlongs—Bearcatcher, 111 (Helgerson, 3 to 5, won; Delagoa, 109 (Aubuchon), 11 to 5, second; Frontenac, 99 (Nicol), 11 to 1, third. Time, 1:12-3-5. Woodsaw caught ther for \$15,000 more, while Alan-a-Dale burned up another bundle. In desperation the com-bination went to Naughty Lady in the fifth with similar results, but Outcome in the last race enabled them to break about even on

Tucker, meanwhile, waited patiently for the fifth event and then placed a \$5,000 commission on Auditor, getting an average price of 3 to 1. By an error on the programme there was no asterisk opposite the colt's name, denoting an apprentice allowance of five pounds, but this was rectified on the official blackboard and Auditor carried 109 pounds, the original impost, and W. Fischer, a clever apprentice in the employ of John W. Schorr, had the leg up. Joe Yeager got busy with Keynote in the last race and bet about \$10,000 on him. He had previously won this amount on Dainty, so that he did not feel the loss when keynote failed to make good.

He was an added starter and carried only 168 pounds. The experts believed that at the weights he had a royal chance to be inside of the money. But the Kingston colt was accused of having a yellow streak when

trailed in last. James Blute, who ran second to Merry Lark in the second race with Tramotor, saw a chance to pick up a little easy money and proceeded to bid the winner from \$1,500 to Forty-six yachts started in the fall regatta of the Larchmont Yacht Club yesterday. It was a light weather day, and what wind \$3,000, at which point, Tom Welsh, acting for W. B. Leeds, kept the Jim Gore colt with an extra \$5 bid. The run-up under the rules

netted Blute \$750. Major Pelham and Fire Ball, formerly owned jointly by W. M. Scheftel and J. W. May, ran in the name of the latter yesterday, the partnership in regard to these colts hav

beat to the second, and the shift in the wind made it a beat home.

The three 70-footers, Yankee, Rainbow and Virginia, raced and finished in the order named. The Yankee defeated the Rainbow by 9 minutes 31 seconds and the Virginia were steered by their owners, J. Rogers Maxwell and W. K. Vanderbilt, Jr., respectively. Capt. Clayton Haff sailed Cornellus Vanderbilt's Rainbow, and on board were Newbury D. Lawton, George A. Cormack and Commander J. D. J. GOSSIP OF THE RACETRACK. Annie Little Easily Defeats Princess Pique in the Chief Event.

A representative holiday crowd that filled every seat in the grand stand and thronged the balconies of the clubhouse gathered at the Empire track yesterday for the eleventh

matinee of the New York Driving Club.
Class A A, for trotters, was expected to
be the banner contest of the afternoon. Prin-Pique, 2:11%, and Annie Little, 2:12, were to meet for the second time, and all present knew the rivalry for the final cup honors was keen between the two owners. Before the start yesterday Princess Pique stood credited with 13 winning heats and 32 points. Annie Little was a close second with eleven winning heats and 28 points. As but four more meetings are to be held before the cup awards the race for first honors is a lose one.

Princess Pique came out yesterday decidedly lacking in form. Annie Little, on the other hand, was in fine fettle and, had she been her career.

The best race of the day was won by Boy Rene. Possibility, with his rare turn of speed, assumed the lead in each heat, and it was only in a driving finish that Bow Rene succeeded in winning. The first heat was won by a head only and aroused the crowd to the

STATE FAIR HARNESS RACES. Bariel Breaks and Falls to Beat Her Record Without Wind Shield.

SYRACUSE, N. Y., Sept. 5 .- The New York State Fair race meeting opened to-day with a fast track, large crowd and good racing. despite the chill in the air. A feature of the programme was the attempt of Dariel to lower the world's record for pacing mares without wind shield, of 2:02%, held by herself. Driven by Alta P. McDonald, she negotiated the quarter in 0:30%, the half in 1:00%, the three-quarters in 1:31% and would have undoubtedly clipped the figures but for a break at the head of the stretch. She finished the mile in 2:05.

Aylward, driver of Amblem, was derricked

by the judges after three heats and A. P. McDonald put in his place. Amblem then won the next three heats in fast time. The judges withheld their decision.

STANLEY DILLON BEATEN. Distanced in Fourth Heat of 2:10 Trot a Charter Oak.

HARTFORD, Sept. 5.—There were 10,000 persons on hand for the opening of the Grand Circuit races at Charter Oak Park to-day. It took more than three heats to decide every race. The event of the day was the defeat of Stanley Dillon in the 2:10 trot. Geers got him under the wire first in two heats, but a bad break in the third put him so far behind that it required a terrific drive to save the distance. This drive tuckered the horse out, so that he could not get within the distance flag in the fourth heat.

Rosewood, who took the third heat in the 2:14 pace, gave Bad News, the winner, a hard drive in the first and final heats. The General was the favorite in the 2:14 trot, but

SEA GIRT, N. J., Sept. 5.—New York won once and lost once in to-day's battles of the National and New Jersey Rifle associations tournament. In the revolver team match for teams of

Between them came the "Philippine Cav-alry," a scrub team composed of New Jersey

alry," a scrub team composed of New Jersey First troopers and Massachusetts, with 709. But a protest was lodged against that score counting, and the protest went. The fourth contestant was the Third Battallon, District of Columbia.

Between the Quakers and Squadron A there was great rivairy. The Philadelphians declared that they did not have their regular guns with them. Lieut R. H. Sayre, the captain of the Squadron team, distinguished himself. His score, 217, was by far the best-125 out of 150 at deliberate and 92 at ranid first.
